Grant County Health District Announces New Office Hours

MOSES LAKE, WA — Grant County Health District (GCHD) will be operating under new office hours as a trial period, effective Monday, September 29, 2025. This change is part of an effort to make local public health services more accessible for our community.

New Office Hours:

- Monday-Thursday: 8 a.m.–4 p.m.
- Friday: 8 a.m.–12 p.m. (Closed the 1st Friday of the month for staff meetings.)

“Our priority is helping the community get the vital records and services they need without added barriers,” said Theresa Adkinson, GCHD Administrator. “The trial office hours will help us find the best schedule to serve our residents.”

Skip the trip to the office! Many of our services are available online. [Visit GCHD’s website](#) to order a birth or death certificate, apply for a temporary food permit, or submit a public records request.

To access services and get more information, contact the GCHD office at (509) 766-7960, or info@granthealth.org. GCHD is located at **1038 W Ivy St., Suite 1, Moses Lake, WA.**
